Adult Students in Scholastic Transition Scholarship Program

The Adult Students in Scholastic Transition (ASIST) Scholarship is a non-discriminatory, educational scholarship program for the benefit of non-traditional students. These include persons who are past high school age and who are entering a college, university, or trade schools and/or the workforce for the first time, non-traditional students already enrolled in a college/university or trade program, are re-training due to changes in the workplace, or who otherwise are not the traditional college or trade school student, recently finished with high school.

The ASIST Scholarship Program helps provide financial support to adult students in a variety of transitional situations. The goal of the ASIST Program is to enable recipients to improve their self-esteem and to have a positive impact on the recipient's personal life, employment, family, and community.
