

# SEPTEMBER CHAPTER MEETING

Tuesday, September 22, 2020  
6:30 PM

## PROGRAM

**Lee Silber**, Co-Founder of Waves and Wheels, will join as our guest speaker to present *Generation We*.

Lee has done a lot since moving to Maui as a competitive surfer. He first founded Waves and Wheels Surfcenters at the age of 21. He wrote his first of 26 books at the age of 25, and gave his first of 2,500 speeches that same year. It was that speech in 1987 (as the Career Day speaker at Challenger Middle School) that led him making speaking and training his full-time profession.

Today he is known for making audiences think, laugh, and learn with his presentations (in-person, and virtual) and creating customized programs for audiences large and small. For EWI's San Diego chapter, Lee takes on the difference in different generations and how to understand and work well with each age group.
