PROGRAM

Learn more about foster care and join the conversation with a foster youth. Promises2Kids' mission is to *create a brighter future for foster children*® in San Diego County. From the moment they come into foster care and through to adulthood, Promises2Kids provides the hope, support, and opportunities these individuals need to change their lives for the better... now and for years to come.

Tonya Torosian is the Chief Executive Officer of Promises2Kids, a non-profit founded over 35 years ago as the Child Abuse Prevention Foundation. Best known for building the Polinsky Children's Center, launching Guardian Scholars in San Diego and starting Camp Connect, the first camp on the west coast specifically for siblings who are separated in foster care. Promises2Kids is dedicated to creating a brighter future for foster children.

Torosian's work in child welfare and nonprofit management spans over 25 years and three states. She developed programs and policies for child and youth-based organizations in Illinois, Arizona and California.
